

Under Desk – Smart Extension Lead

A new era of smart, safety-first extension units that save energy, report occupancy, and protect your building.

Our next-generation of smart extension leads are designed to meet the growing demands of hybrid workplaces.

The on or under desk extensions deliver complete workspace intelligence: energy savings, occupancy reporting, and plug-level risk prevention.

[Talk to Sales](#)

Automate energy control ×

With automated appliance identification and hot-desk control, power is only used when needed.

Occupancy without sensors ×

Understand desk usage patterns to ensure uninterrupted appliance operation. No additional hardware required.

Safety built-in ×

Auto shut-off for unsafe energy draws. Reduces fire risks by design.

Desk-level insights and employee behaviour ×

- Premium finish for on-desk presentation
- Integrated 65W USB-C for laptops and devices
- Designed for hybrid workers and clean desk policies
- Ideal for high-traffic workstations, hot desks, and agile workspaces
- Display to support employee engagement around carbon reduction

Smart power, where it's seen.

Installation and specifications

Our smart extension leads are designed for easy installation. Just plug them in, connect to your network, and you're ready to start eliminating wasted energy. Every unit is built to commercial safety standards and tested for reliability, so you can deploy them across your buildings with confidence. If you need support, our team is always on hand to guide you through setup and integration.

Category	Description
Model No	TGX
Amp rating	16A
Power voltage supply	100-250 V AC
Power consumption	<1 W
Safety Shut Off	All Channels: 16A > 60 seconds
Operating temperature	-10°C to +40°C
Operating humidity	0-95% RH, no condensation
Dimensions	283 x 74 x 34 mm
Connectors	GST to GST, GST to Three Pin
Control	Single Button Override
Wi-Fi support	2.4 GHz/5GHz
Wi-Fi security	WPA2/WPA3 PSK
Colour	White
Certifications	BS1363, UKCA, CE
Guarantee	10-year guarantee for manufacturing faults and defects
